#### *B. Submitting Comments*

Please include Docket ID **NRC-2013-0113** in the subject line of your comment submission, in order to ensure that the NRC is able to make your comment submission available to the public in this docket.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed. The NRC posts all comment submissions at <http://www.regulations.gov> as well as entering the comment submissions into ADAMS, and the NRC does not edit comment submissions to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the NRC, then you should inform those persons not to include identifying or contact information in their comment submissions that they do not want to be publicly disclosed. Your request should state that the NRC will not edit comment submissions to remove such information before

making the comment submissions available to the public or entering the comment submissions into ADAMS.

## **II. Background**

The NRC is requesting comment on these draft EPFAQs. This process is intended to describe the manner in which the NRC may provide interested outside parties an opportunity to share their individual views with NRC staff regarding the appropriate response to questions raised on the interpretation or applicability of EP guidance issued or endorsed by the NRC, before the NRC issues an official response to such questions.

Dated at Rockville, Maryland on May 24, 2013.

For the Nuclear Regulatory Commission.

William Gott, Acting Deputy Director  
for Emergency Preparedness,  
Division of Preparedness and Response,  
Office of Nuclear Security and Incident Response.
